# KING OF NATIONS SCHOOL

---

An Equipping School for the Body of Christ in Australia

## WHY WE NEED ANOTHER SCHOOL IN AUSTRALIA?

God's heart beats for souls to come into His Kingdom. Many nations represented in the 7 continents of the world reside in this country alone. Your own backyards are the mission field! The only force in this world enabled & commissioned to reach out to them is the whole Body of Christ.

God has placed a unique call on each individual with their own giftings and a God-ordained place in society, where they will be used by God mightily. This equipping school will help the members of the Body of Christ to find and activate their true calling in God, and exercise their gifts & talents wherever God has called them to be. They will be guided to know their true identity & purpose so that they will become an influential force in their families, local churches, workplaces, communities & eventually the entire country.

This school will come alongside the local churches to be a support and Friend with no intention to compete. So that in UNITY, the whole Body of Christ will emerge as the Dominating Vessel of Love to advance God's Kingdom, and transform nations for His Glory!

## THE UNIQUENESS OF THIS SCHOOL

- ❖ It will STRENGTHEN & FORTIFY THE FOUNDATION IN CHRIST that's already established in each individual.
- ❖ It's a PLATFORM WHERE THE HOLY SPIRIT IS FREE to move and build in a person's life in the context of focused modular classes – a revival setting where participants can expect God to move in their lives.
- ❖ It will endeavor to HELP PEOPLE FIND THEIR REAL CALLING AND ACTIVATE IT with their own natural & supernatural gifts, in their God-ordained place in society.
- ❖ It HONORS THE TRUTH THAT EACH PERSON IS A DIAMOND IN GOD'S HANDS, who will enable them to shine as Lights in this dark world - regardless of age, race & gender.
